PROJECT NUMBER:2022-1-PT01-KA220-ADU-000087183

The second in-person meeting was in Italy!

On the 11th and 12th Of July 2023, the consortium of the project [Priority 45](#) (2022-1-PT01-KA220-ADU-000087183), had its second international in-person encounter in Palermo (Italy) hosted by [CEIPES](#).

The project aims to re/upskill 45+ adults to achieve a complete and resilient workforce that can survive in today's globalised and volatile world. Besides, the project intends to promote among companies and other institutions the importance of establishing training plans for 45+ adults to avoid discrimination.

During the meeting, partners had the chance to review the progress of the activities undertaken thus far, exchange their insights from the consultation workshops, and plan the necessary steps for the validation of the Joint Curriculum.

Furthermore, this gathering offered a good opportunity for partners to deliberate and set guidelines for the upcoming phase of the project: the creation of the Priority 45 Virtual Course.

Participating partners were able to engage in an online session with local stakeholders who provided valuable feedback on the partners' work to date. Additionally, the stakeholders expressed their preferences for interactive materials to be included in the virtual course, emphasizing the importance of practical examples reflecting real-life work situations.
